## OUR MISSION

Part of the vision of the Charismatic Episcopal Church of North America (CEC) is to make visible the Kingdom of God to the nations of the world and to impact cities and communities with the gospel. This is accomplished by evangelizing the lost and equipping the saints to have a positive impact on the community through the application of Christian principles.

Saint Michael's Society is the benevolent outreach of the Charismatic Episcopal Church of North America and has five primary objectives:

1. To provide food and clothing to the poor of San Clemente and the surrounding areas.
2. To provide a network of temporary shelters for the homeless and needy.
3. To provide contacts for job placement for those seeking employment.
4. To assist in the education of children by supporting local schools and daycare facilities and by offering support to working mothers.
5. To assure business support for various housing and assistance programs.

The five outreach programs of Saint Michael's Society are designed to provide a hope to the poor through community and church involvement. We feed hundreds of people each week with boxes of groceries and offer daily attention to those with immediate needs.
