Dear Sir/Madam:

This is in response to your inquiry dated June 14, 1990 requesting a copy of the letter which granted tax-exempt status to the above named organization.

Our records show that the organization was recognized as tax-exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code and issued a Group Exemption Letter effective November, 1957. We have also determined that the organization is not a private foundation because it is described in section(s) . Your Group Exemption Number is 1393.

Donors may deduct contributions to you under section 170 of the Code.

You are required to notify the Service at least 90 days before the end of your annual accounting period, a statement describing any changes during the year in purposes, character, or method of operation of your subordinates.

A copy of our letter certifying the status of the organization is not available, however, this letter may be used to verify your tax-exempt status.

Because this letter could help resolve any questions about your exempt status, it should be kept in your permanent records.

Sincerely yours,

Phil Brand
District Director
