Vienna, 25<sup>th</sup> of January 2008

Dear Yvonne,

thanks for your letter dated 14<sup>th</sup> of January 2008. You asked us to complete the enclosed Foreign Grantee Tax Withholding Verification Form.

This is to inform you that PRO ORIENTE is an ecclesial foundation (founded on the Codex Iuris Canonici = CIC of the Roman Catholic Church). We are not an affiliation to the diocese of Vienna. We are as an ecclesial foundation totally exempt of tax.

I feel unable to complete point II.A, as the questions in the paragraph seem to refer mainly to American institutions. What is meant by Section 501 or 115? What is an IRS tax exempt determination letter?

Thanks for a short information, as we would like of course to complete and return the form as soon as possible. You may also contact me by e-mail: [wittine@pro-oriente.at](mailto:wittine@pro-oriente.at)

With best regards from Vienna I remain,  
Sincerely yours

  
(Mrs. Marion Wittine)  
Secretary General
